## 'Cause this **Virginia Slims Manian Thing Nusic concert** has absolutely **no cover charge**

The Lagoon October 4 — 10 p.m.

Last Spring, Virginia Slims created Woman Thing Music to help launch the careers of aspiring female artists.

Now we're back with another terrific musician in a nationwide tour — TV and movie actress Pauley P.

To get in to hear Pauley, along with the winner of Dueling Divas, our local female performers competition, all you gotta do is show up and walk in like you own the place. (See ya later, Vinny...)

And at the concert you could get Pauley's just-released Woman Thing Music CD absolutely free. Plus chances to win tour T-shirts and other cool concert stuff.

So don't miss it! For details on upcoming Woman Thing Music events, including the local Dueling Divas performances, call 1-800-VS-EVENTS.
